Pay Our Nursery a Visit.

We have spent the better part of our life in the study of mhteods and varieties for this locality. Our experience is at the service of our patrons, we realize that they must prosper otherwise we will not, so our sales must bring us other sales to the same customer and to his friends. If it does not we feel we have failed to do our part.

We sell direct to our patrons, we have no agents and pay no commissions.
